THE ENTREPRENEURIAL CAREER CHANGE

Franchise ownership is more than buying a business. It's a path to independence. It's a new, bold career change. It's an investment in yourself with the peace of mind that comes from knowing you're not alone and great support programs are right there for you. The key is finding the right opportunity for your unique situation, interests, and experience.

"The skills that make you successful in other areas of your life will help you as a franchisee. I knew nothing about Home Services, but the franchisor had a system to follow. I had no idea how much help I would get—I hit the ground running and haven't slowed down since."

– Joe D., Franchise Owner, Frederick, MD

OWNING A FRANCHISE IS MUCH MORE THAN JUST FAST FOOD

Each type of franchise business has its merits and strengths. There are opportunities in nearly every business category, and many have financing options to fit your needs. They all, however, want you to succeed as an independent entrepreneur. Determining which ones are best for you is where Franchise Career Advisors can help the most
